MISSOURI LAWS NULLIFIED

Washington, D. C., May 31.—Two laws of the State of Missouri, both affecting corporations, and both having been passed in March, 1907 were nullified by decisions handed down in the United States Supreme Court today. One of the laws prohibited a foreign corporation from beginning a suit at law in a United States court or from recovering from the Federal Court a suit which had been begun in a State court.

The other sought to compel all railroad trains, through or local, to stop at railway crossings. Both laws were pronounced unconstitutional by the Justices of the Supreme Court.

The decisions were in cases carried to the Supreme Court by officials of Missouri, who appealed from judgments rendered by Judge Smith McPherson of the Federal Circuit Court for the Western District of Missouri.

TRANSFERS VAUGHN TRIAL

Kirkville, Mo., May 31.—Judge Nat M. Shelton today granted a change of venue to Mrs. Alma Proctor Vaughn and Doctor Jas. R. Hull, jointly charged with the murder of Professor Vaughn, to Lancaster, Schuyler County at the November term.

Judge Shelton said in making his decision that of the sixty witnesses examined about half said that there was prejudice in Adair county against the defendants, and that he was going to give them the benefit of the doubt.

PERFECT CONFIDENCE

Monett People Have Good Reason For Complete Reliance Do you know how—

To find quick relief from backache;

To correct distressing urinary ills;

To surely cure sick kidneys;

Just one way—your neighbors know—

Have used Doan's Kidney Pills;

Have proved their worth in many tests.

Here's Monett testimony.

Mrs. L. N. Swartzel, prop. of Swartzel Hotel, Fourth and Bond Streets Monett, Mo., says: "I recommend Doan's Kidney Pills highly as I know that this remedy will bring relief from kidney complaint. For years I was troubled by distressing pains in the small of my back and a constant feeling of weariness. I had a poor appetite and was bothered continually by a kidney weakness. On the advice of an acquaintance, who had used Doan's Kidney Pills for a similar trouble, with the best of results, I procured a box and began their use. I am glad to state that this remedy brought the desired relief."

The above statement was given in Dec. 1906, and on Dec. 6, 1908 Mrs. Swartzel added: "I heartily confirm the statement I gave two years ago, publicly recommending Doan's Kidney Pills. This remedy is the best one I ever used for kidney complaint and is worthy of my highest endorsement."

Monett

Monett is situated near the summit of the Ozarks on what is more appropriately known as the "Ozark Uplift," a rich and productive table land, with an altitude of over thirteen hundred feet, thirty miles north of Arkansas and forty miles east of Oklahoma and Kansas. Monett is a city with a population of 7000 and growing with a steady and healthy growth.

Monett is the principal division of the "Frisco System" in Missouri. Over forty passenger trains run into our city every twenty-four hours and the freight trains that come and go are enormous. Here are located the round houses, machine shops, coaling station, coach cleaning and repair shops, oil and supply houses, dispatcher's, claim agent's, master mechanic's, train master's and chief engineer's offices, the Harvey hotel and eating house and the section houses.

Monett is a division point of the United States Express Company and many of its employes reside here.

The city is well supplied with houses of worship, among them being the Presbyterian, Catholic, Episcopal, Methodist Episcopal, Baptist, M. E. Church South and Christian.

Monett has a magnificent Railroad Young Men's Christian Association building and a fine organization. The membership is now over 500 and a good work is being done among the young men of the community.

The city schools are in a flourishing condition. A high school building was recently erected at a cost of \$25,000.00.

There are over thirty fraternal societies in the city, most of them in a flourishing condition.

Monett has a fine system of water works, the water being drawn from an underground stream at a depth of 175 feet.

Monett is the center of a rich farming and fruit growing district, unequalled in the Southwest and it is rapidly filling up with a desirable class of citizens. The price of land is not beyond the reach of the man of moderate means and there are splendid openings for dairying, poultry farming and fruit and vegetable raising.

Monett has not had a boom, is but twenty years old, and is destined to be one of the finest cities in the Southwest.

Monett has no negro population, in fact there is not a negro resident in Barry County.

In matter political, Monett and Barry county are about equally divided between Democrats and Republicans.

This is one of the strawberry growing points in the United States and the excellence of the Monett strawberry is known from the Lakes to Gulf. Monett is an ideal place for this industry. It is so located that berries grown here do not come in competition with the Southern berries and are on the market before the Northern ripens. During the season of 1909 there were shipped from Monett 40,000 crates of strawberries which averaged the grower \$2.00 per crate of a total of \$80,000.

Monett has a sewerage system excellently done.

Monett has free mail delivery and is a division of Uncle Sam's railroad mail service. There are about 200 mail clerks running out from here.

Monett has a monthly pay roll from the Frisco, United States Express Co., Kansas City Car Building and Construction Co., and the Government amounting to \$66,000.00.

Monett needs more manufacturing establishments, wholesale houses, foundry, furniture and woodworking plants, laundry, creamery, packing plant and street railway. Sites can be secured on very reasonable terms.

Monett has two daily and one weekly newspaper.

The railroad facilities cannot be excelled, reaching as we can all points north, south, east or west. Monett offers special inducements to wholesale and manufacturing concerns and the officers or secretary of the Monett Commercial Club will cheerfully answer all sincere inquiries.
